

Request for Proposal for providing solar light systems to 23 school in Bikaner, Barmer and Jaisalmer) of Rajasthan

ABOUT HABITAT FOR HUMANITY INDIA

Driven by the vision that everyone needs a decent place to live, Habitat for Humanity began in 1976 as a grassroots effort. The housing organization has since grown to become a leading global nonprofit working in more than 70 countries. In India since 1983, Habitat for Humanity has supported more than 38 million people by helping them build or improve a place they can call home, build improved sanitation units and provide humanitarian aid and disaster resilient shelter solutions in the aftermath of natural disasters.

Through financial support, volunteering or adding a voice to support affordable housing, everyone can help families achieve the strength, stability and self-reliance they need to build better lives for themselves. Through shelter, we empower.

We are currently working on a project in 3 districts (Bikaner, Barmer and Jaisalmer) of Rajasthan, where we aim to provide solar light systems to 23 school in the North region. After conducting extensive research, we have identified your company as a reputable vendor capable of meeting our requirements.

To facilitate our procurement process, we kindly request the specifications for solar units with capacities of 5-kW, 7-kW and 10-kW. This information will enable our technical team to prepare a comprehensive Request for Quotation (RFQ) based on the detailed specifications provided by your company.

For your convenience, we have attached a Bill of Quantity (BOQ) for a 5-Kw (09 Nos), 7-kW (05 Nos), and 10-kW (09 Nos), solar unit. This document serves as a reference point for the level of detail we require in the specifications.

Please ensure that the specifications include key technical details, performance metrics, and any additional information necessary for our team to assess the suitability of your products for our project.

Once we receive the necessary specifications, our technical team will promptly initiate the RFQ preparation process. We value your timely response in providing the required information.

Scope of Work:

1. Schools Solar 5KW system with AMC -9 Nos
2. Schools Solar 7KW system with AMC - 5 Nos
3. Schools Solar 10KW system with AMC -9 Nos
